Arrival report

**Nov. 6, 2007 (Tuesday)**

**BECRUX (ITA, g5, bay)** arrived safely at Narita Airport at 09:42 on November 6, and was transported to the quarantine facilities in Shiroy on the same day, leaving the airport at 11:17 and arriving at Shiroy at 12:26. The comments by his connections taken upon arrival are as follows;

“The whole journey took us about 17 hours.”

“His condition is really good regardless of a long trip.”

“He’ll stay off the tracks and just be hand-walked around the stables tomorrow. We plan to start some light training from the day after that.”

**Nov. 12, 2007 (Monday)**

**BECRUX**, along with ARTISTE ROYAL who enters Japan Cup this year, departed the International Stables at the Shiroy Quarantine Facilities for Kyoto Race Course at 10:05 and arrived at Kyoto racecourse at 18:46.

**Nov. 13, 2007 (Tuesday)**

*At Kyoto Racecourse*

**BECRUX (ITA, g5, bay)**

-jogged 1/2 lap, cantered lightly 1 1/2 lap on the dirt course

(Ridden by M. Olguin)

“The whole trip coming here went smoothly and the horse has settled in. He’s eating well and as far as I can see, there doesn’t seem to be anything wrong with him. He looked refreshed when he came back from the tracks this morning.”

(Comments taken from E. Jimenez)

“He feels great. I think he enjoyed the run. It would be best if he keeps up the good condition that he’s in now.”
